

More Than a Sunday Faith: A Teacher's Guide

The *Teacher's Guide* is a step by step instruction manual on how to teach your congregation, small group, and/or home school students how to live with a Biblical worldview in everyday life. This material has also been used in at-risk youth settings, in rehab programs, as well as part of a total congregation and leadership training system. It contains both the *Teacher's Notes* and *Student Notes*. The *Student Notes* can be reproduced as many times as needed.

It is highly recommended that each student have their own copy of the book *More Than A Sunday Faith*. (Contact Pastor Chris for bulk pricing.) They can read it before or during the class, but especially after they finish the class and become part of a *Bible Impact Group*, as a guide to help them remember what they were taught in the class.

This *Teacher's Guide* can be obtained at *no-cost* by contacting Pastor Chris through the information below.

Trainning

Pastor Chris is making *Bible Impact Cards* and the *Teacher's Guide* available at no-cost in order to help every believer live with a Biblical worldview. You can obtain the *Teacher's Guide* and make it happen for yourself.

Having said that, he still believes in the importance of face-to-face training with real people in the flesh! He believes in developing healthy mature believers through “nurturing relationships,” which is part of every believer’s DNA (see Acts 2:42-47). As this material helps the believer with the “how to” of living with a Biblical worldview, questions arise that only face-face training can provide.

The Lord is leading him to serve the Kingdom by providing this training in how to teach and train others to make healthy disciples who live with a Biblical worldview. This can be done in a 1.5 to 2 day workshop format, depending upon your time availability. You can set up this training or come to his quarterly classes by contacting him using the information below.

Consultations & Coaching

If you've read the book and/or have taught the class, but still have challenges or questions that are best handled through conversations and not through the MoreThanaSundayFaith.com blog, Pastor Chris is available for consultations and coaching - over the phone, via email or personal one-on-one time.
