

More Than a Sunday Faith: A Teacher's Guide

The *Teacher's Guide* is a step by step instruction manual about how to teach your congregation, small group, and/or home school students how to use the tools of a Biblical worldview in everyday life. This material has also been used in at-risk youth settings, in rehab programs, as well as part of a total congregation and leadership training system. It contains both the *Teacher's Notes* and *Student Notes*. The *Student Notes* can be reproduced as many times as needed.

It is highly recommended that each student have their own copy of the book *More Than A Sunday Faith*. (Contact Pastor Chris for bulk pricing.) They can read it before or during the class, but especially after finishing the course. The principles taught will present a new way of thinking and processing life for 9 out of 10 people who take the class and become part of a *Bible Impact Group*. The book becomes a valuable resource to help them remember how to use the tools they were given in the class.

This *Teacher's Guide* can be obtained at *no-cost* by contacting Pastor Chris through the information below.

Making Healthy Disciples: Giving the Tools to Become Like Jesus

Pastor Chris is making *Bible Impact Cards* and the *Teacher's Guide* available at no-cost in order to help every believer become closer to and more like Jesus. You can obtain the *Teacher's Guide* and make it happen for yourself.

Having said that, he still believes in the importance of face-to-face training with real people in the flesh! As this material gives each believer the tools to live with a Biblical worldview, questions arise that only face-face training can provide. Therefore, to better equip you in how to teach and train others to make healthy disciples, he offers a 1.5 to 2 day workshop format, depending upon your time availability. You can set up this training or come to the quarterly classes he teaches at *New Hope* by using the information below.

Consultations & Coaching

There's Hope for Pastors of Small Churches

Jesus said He would build His church (Matt. 16:18) and told us to focus on making healthy disciples (Matt. 28:18-20). Pastor Chris has over 25 years of experience being a pastor of a "small church with a big vision." He can help you become comfortable in the skin God gave you to play whatever the role Jesus has for you in building His kingdom. Failure doesn't apply to numbers, only to not making healthy disciples. If you've read the book and/or have taught the class, but still have challenges or questions that are best handled through conversations and not through the *MoreThanaSundayFaith.com* blog, Pastor Chris is available for consultations and coaching - over the phone, via email or personal one-on-one time.
